For the Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. De Witt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took De Witt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe thorough and gentle. The very best pills. W. E. Pelham & Son.

No Argument is Needed.

To convince anyone who has once tried it of the merit of our "Clifton" brand of flour.

The flour speaks for itself. It tells its own story of absolute purity and careful milling. It speaks in the eloquent language of light, white loaves and biscuits, delicious pastry and tempting cakes. It speaks with such conviction that it brings the user back for more and it always tells the same satisfactory story. Why not learn this story of pure flour by trying "Clifton"? Ask your grocer for it.

If you want a cheaper flour buy our "White Fawn" (half patent) or spotless (Straight). They are just as pure, though not so white as "Clifton". Every sack of our flour bears the Anti-Adulteration League's registered drade mark.

"One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace, J. Q. Hood, Crossby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." W. E. Pelham & Son.

NEWBERRY COLLEGE DAY.

The College People and Their Friends Will go on a Special Over the Southern.

April 2nd has been decided on as Newberry College day at the Exposition.

All arrangements are being made, and the probabilities are that a large number of people from the town and county will accompany the college boys to Charleston to see the wonderful sights.

President Cromer has decided to go over the Southern road, and a special train will be run for the occasion, leaving Newberry at 9 a. m., Tuesday, April 1st.

This is going to be a pleasant trip, and not only Newberry College, but every school in the county should be represented on this trip. Arrangements can be made for all who want to go on this train, and parties should be made up at once, and preliminary matters arranged. Let Newberry show up in a creditable manner.

If you intend going to the exposition at all, go with the College boys, and make it in reality Newberry day.
